

NATIVE HAWAIIAN AND PACIFIC ISLANDER ENVISION THE FUTURE GOALS AND STRATEGIES 2012

NPA GOAL	SUMMARY OF NHPI STAKEHOLDER RECOMMENDATION	PROPOSED STRATEGY
<p>1. AWARENESS</p>	<p><u>RECOMMENDATION 1:</u> COMMUNICATION AND COLLABORATION</p> <p>Develop mechanisms to facilitate effective collaboration, disseminate evidence-based information, and create a repository for NHPI data and evidence-based findings.</p>	<p>NHPI ENVISION THE FUTURE STEERING COMMITTEE</p> <ul style="list-style-type: none"> Form a steering committee to provide advice, guidance and oversight on implementation of the recommendations derived from the 2012 NHPI Envision the Future conference. <p>NHPI ENVISION THE FUTURE WEB PORTAL</p> <ul style="list-style-type: none"> Adapt “Envision the Future” conference website to disseminate evidence-based NHPI health disparities and support stakeholder input and comments. Offer webinars and conduct group meetings. Communicate inventory of translated health information, results from the PIHS, education and funding opportunities, and updates on Envision the Future Steering Committee efforts. <p>NHPI.NETWORK</p> <ul style="list-style-type: none"> Expand NHPI.Network@umich.edu to include NHPI stakeholders across the continent, HI, USAPI and the Pacific, as well as federal, state, philanthropic and professional organization leaders. Develop database of NHPI community-based and faith-based organizations, leaders, professionals, advocates, media specialists, students, community members and partnerships on the continent, HI, USAPIs and independent Pacific. <p>UM ISR-ICPSR MINORITY DATA ARCHIVE</p> <ul style="list-style-type: none"> Prepare inventory of NHPI datasets in the Interuniversity Consortium Political and Social Research (ICPSR) Resource Center for Minority Data for public use. Develop and maintain database of NHPI culturally relevant resources and information for public access via the NHPI web portal. <p>CUSTOMIZE COMMUNICATION FOR INSULAR AREAS</p> <ul style="list-style-type: none"> Develop culturally relevant information and customize messages to effectively communicate with USAPI communities. Partner with USAPI experts and community leaders to identify, develop and disseminate meaningful information. Tailor web portal content to allow community leaders to independently access and disseminate the culturally relevant information.

2012 Translating Research into
Healthy Native Hawaiian and
Pacific Islander Communities

<p>2. LEADERSHIP</p>	<p>RECOMMENDATION 2: COMMUNITY CAPACITY-BUILDING AND SUSTAINABILITY</p> <p>Increase community participation in research, interventions, and grant development, thus promoting the ability of NHPs to advocate for themselves and promote long-term sustainability.</p>	<p>SUSTAINABILITY</p> <ul style="list-style-type: none"> • Promote sustainable leadership and the self-determination of NHPs through a coordinated effort among community leaders, stakeholders and partnerships to independently manage community empowerment activities. <p>PARTNERSHIP BUILDING</p> <ul style="list-style-type: none"> • Collaborate with community partners to translate evidence-based information into meaningful products and culturally relevant interventions. • Build community capacity and infra-structure to effectively create community interventions. <p>GRANT OPPORTUNITIES</p> <ul style="list-style-type: none"> • Identify, disseminate and facilitate funding opportunities for health prevention and intervention in NHP communities in the US and USAPIs. • Provide grant writing workshops/webinars for NHP community organizations. • Connect NHP community organizations to grant writing and other capacity building opportunities.
<p>3. HEALTH SYSTEM AND LIFE EXPERIENCE</p>	<p>RECOMMENDATION 3: HEALTH ADVOCACY AND ACCESS</p> <p>Increase NHP leadership in health advocacy and develop culturally informed health interventions.</p>	<p>SOCIAL NETWORKING AND VIDEO/AUDIO COMMUNICATION</p> <ul style="list-style-type: none"> • Develop culturally appropriate video messages on health issues and healthy behaviors across the life-course. <p>HEALTH NAVIGATION AND DELIVERY</p> <ul style="list-style-type: none"> • Develop culturally relevant materials for health practitioners and providers. <p>HEALTH ADVOCACY</p> <ul style="list-style-type: none"> • Promote NHP leadership in national advisory committees. • Increase participation of community leaders in professional meetings.

	<p>RECOMMENDATION 4: PI MIGRANT AND IMMIGRANT HEALTH</p> <p>Promote the health of NHPs through policy and changes to the health system infrastructure.</p>	<p>COMPACT ASSOCIATION OF FREE ASSOCIATION STATES</p> <ul style="list-style-type: none"> Examine the implication of Medicaid program and ACA Health Insurance Exchange Program on COFA migrants. <p>ELECTRONIC RECORD SYSTEM</p> <ul style="list-style-type: none"> Leverage support for the application of electronic health record system between the USAPIs and US.
<p>4. CULTURAL AND LINGUISTIC COMPETENCY</p>	<p>RECOMMENDATION 5: TRANSLATION SERVICES</p> <p>Increase availability and access to translated culturally relevant health materials.</p>	<p>LANGUAGE-ASSISTANCE GUIDES AND TRANSLATORS</p> <ul style="list-style-type: none"> Develop language assistance guides on relevant health prevention topics. Develop a database of PI interpreters and translators. <p>COMMUNITY EMPOWERMENT</p> <ul style="list-style-type: none"> Develop protocol for communicating/sharing NHPI advocacy efforts. Develop useful health education and prevention information in select PI languages and disseminate information on NHPI web portal and ethnic media. Develop culturally relevant resources for dissemination at local health clinics and community health centers serving the NHPI community. Conduct webinars on evidence-based findings.
	<p>RECOMMENDATION 6: INCREASE NHPI HEALTH PROFESSIONALS AND WORKFORCE DEVELOPMENT</p> <p>Disseminate training and financial opportunities for NHPs to increase participation in health workforce.</p>	<p>YOUTH LEADERSHIP AND HEALTH TRAINING</p> <ul style="list-style-type: none"> Develop NHPI Professional mentoring program in support of PI youth higher education. Compile a comprehensive list of scholarship opportunities for higher education in health professions. Report nationwide scholarship opportunities for higher education. <p>RESEARCH WORKFORCE DEVELOPMENT</p> <ul style="list-style-type: none"> Identify training and mentoring opportunities in research. Identify funding opportunities for research.

5. DATA, EVALUATION AND RESEARCH	<p>RECOMMENDATION 7: HEALTH DISPARITIES</p> <p>Develop culturally relevant interventions and preventions to eliminate disparities from the PIHS findings.</p>	<p>TRANSLATIONAL RESEARCH</p> <ul style="list-style-type: none"> • Analyze PIHS and prepare manuscripts, community products, as well as, culturally relevant preventions and interventions to address NHPI health disparities. • Systematically document PI health disparities and prepare manuscripts for peer-review publications. • Develop fact sheets on research findings for community use. <p>COMMUNITY-BASED PARTICIPATORY RESEARCH</p> <ul style="list-style-type: none"> • Use CBPR principles and community networks to advocate and support culturally relevant prevention and intervention programs.
	<p>RECOMMENDATION 8: EXPAND THE PACIFIC ISLANDER HEALTH STUDY (PIHS)</p> <p>Broaden the scope of PIHS to include other California counties, states, and the USAPIs.</p>	<p>COMPARATIVE RESEARCH</p> <ul style="list-style-type: none"> • Expand PIHS to establish baseline information on the health and healthcare utilization of other PI subpopulations and geographical areas. <p>CROSS-NATIONAL RESEARCH</p> <ul style="list-style-type: none"> • Seek support to replicate PIHS in USAPIs and Pacific, promote cross-national research, capacity building of NHPI researchers, and evidence-based interventions.
